Reds Charge Allen Dulles Ordered Riots

Berlin, June 24 (AP)—The Soviet-controlled East German radio charged repeatedly tonight that Allen Dulles, head of the U. S. Central Intelligence agency, gave direct orders that set off the strike riots against Communist rule last week. It said he had been in Berlin for a week.

A U. S. high commission official said tonight Allen Dulles, brother of Secretary of State John Foster Dulles "hasn't been within 3,000 miles of Berlin for many months."

The radio attributed its report to the French Communist newspaper L'Humanite.

It said Secretary Dulles ordered Allen and their sister, Eleanor Lansing Dulles, to "try to create a new 38th parallel in Berlin" like South Korea's "aggression" in 1950. (Communists invariably call South Korea the aggressor in the war started from North Korea three years ago tomorrow.) Eleanor Dulles, an economic ad-

viser in the state department bureau of German affairs, left Berlin last Monday after a 10-day official visit.
